LIFESTYLE RETREAT

MOUNT KINABALU CLIMB, SABAH – NORTH BORNEO

This trip is designed to utilise the skills, strength and endurance attained from your training. The highlight of the itinerary will most certainly be the conquering of the 4,095m elevation of Mt Kinabalu.

With a great mix of team building activities, cultural insights and post climb celebrations this trip will be set to put your training to the test.

About the coach: Michael comes from a sporting background, having always been involved in competitive sport from the young age of six. Michael's passion and training is largely focused around Boxing and Football.

Health and fitness has always been at the forefront of his personal and professional life.

Michael has a desire for improving performance of clients both mentally and physically. With a massive passion for teaching and always willing to pass on thorough knowledge, he strives to continually better himself to better others.

Join him on this fantastic adventure.
