## ESCORTED QUEENSTOWN GOLF TOUR APRIL 2018

*For many years Travel Tree have worked with Golf WA to design custom made escorted tours to a variety of destinations that always include three games golf at quality courses and staying at four star Hotels and Resorts.*

*It is an opportunity for those that like to mix their holiday with their passion for golf with an escorted tour that takes the hassle out of travel and to provide assistance and optional sightseeing opportunities at the destination when required.*

*April sees the South Island of New Zealand entering into Autumn fall and with classic green courses and the Yellow, Red and Brown trees surrounded by the Mountains at Queenstown make it the ideal golfers destination for golfers and non-golfing partners.*
